**10" SCT in
Observatory Tent**

Rapala® Sherpa® Series Pop-Up Ice Shelters feature a Hub-Style design. Heavy-duty tubular frame construction adds to the sturdiness and quick set-up (under 60 seconds). Oversize windows provide light when you need it but can also be closed down for the ultimate in stealth presentations, or removed altogether thanks to the Velcro® frame. The large doors allow easy access when conditions get cold or when dashing to set tip-up lines. The Dual venting system allows for proper exhaust ventilation when conditions get cold. When conditions really get bad, the 4-6 oversized ice spikes and lanyards will secure the shelter firmly in place so anglers can fish with confidence. Boasting an industry leading interior space, Rapala's Sherpa® tents gives angler all the space they need to fish in comfort.

Model Number	Dimensions
RSSM2	76"W x 76"D x 67"H
RSSM3	90"W x 90"D x 80"H

Free floor space: 72" x 72"

PRODUCT FEATURES

- > Pure sine wave inverter: 1000 W

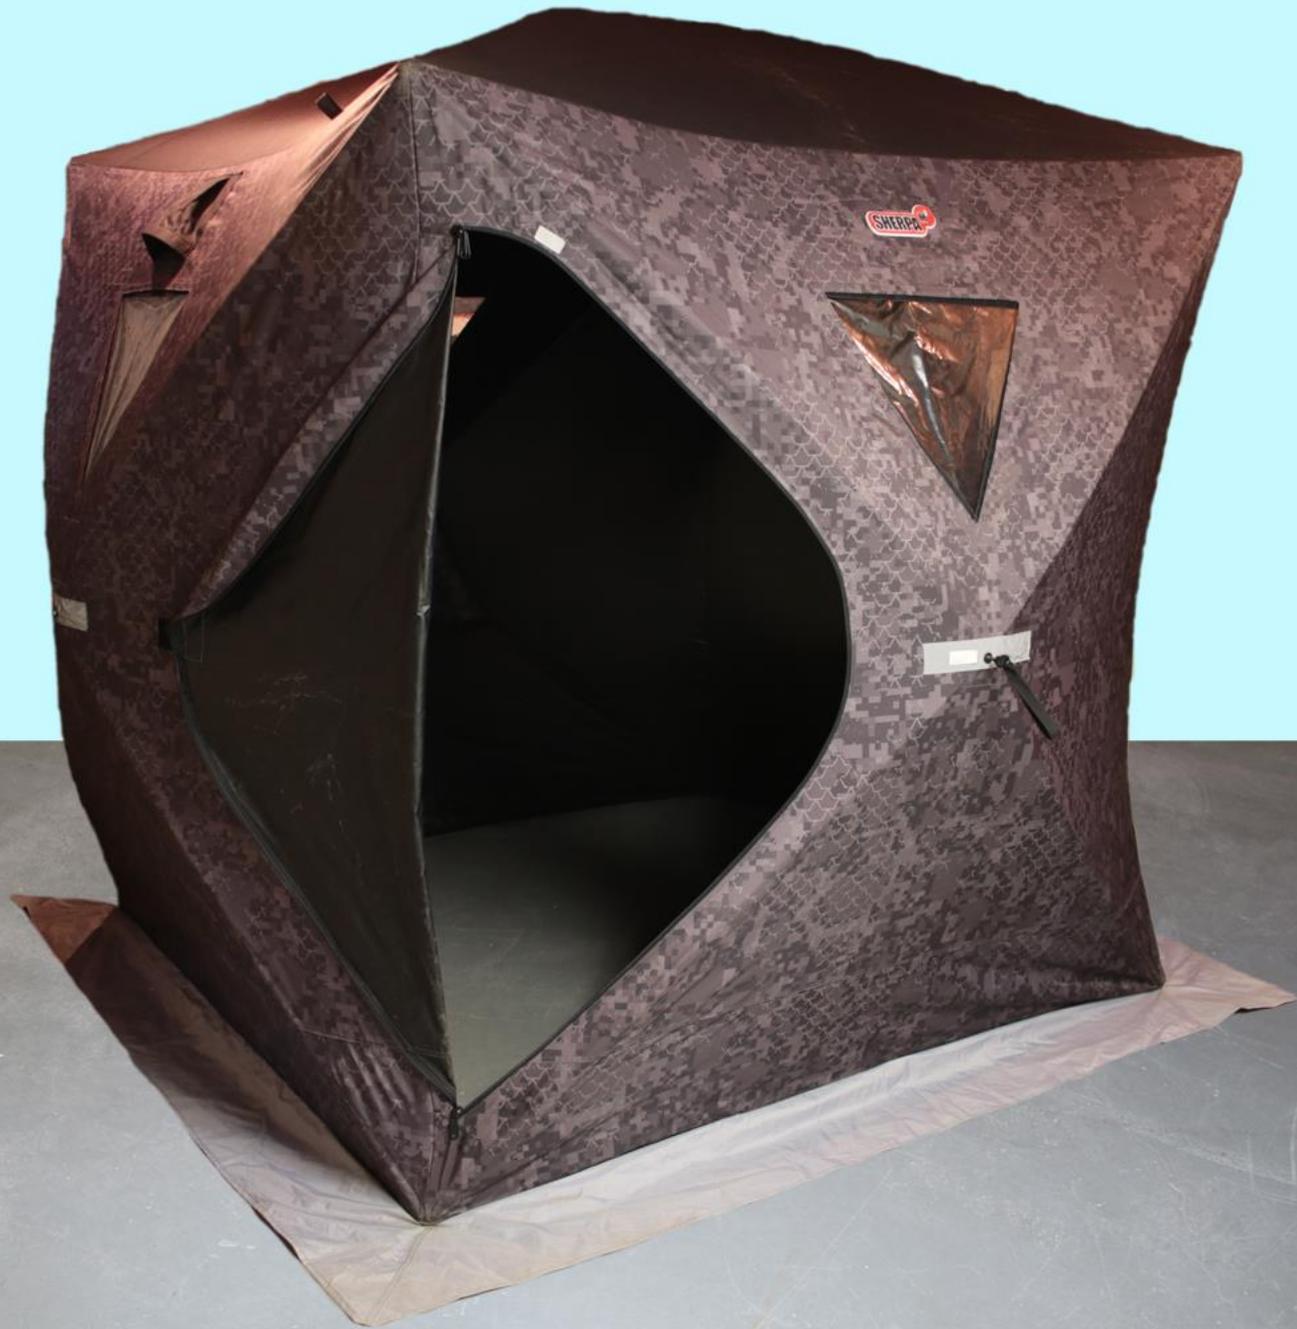

MARTIN

Catalytic Ch-3 Heater

Description

Efficient - Safe - Long-lasting

- Safety shut-off tip over switch
- Safety fuel shut-off if flame goes out
- Safe heat (flameless)
- Electronic ignition system
- Height: 39cm (15.4 in)
- Length: 28 cm (11 in)
- Depth: 28.5 cm (11.2 in)
- Btu/Hour: 3,000

Woods™ Standard Portable Folding Comfort Camping Cot

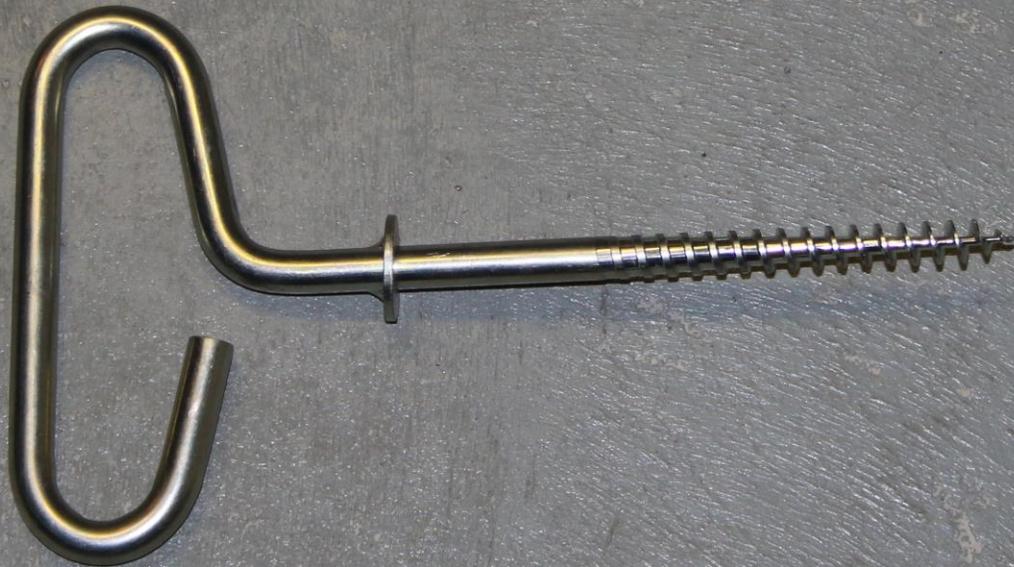

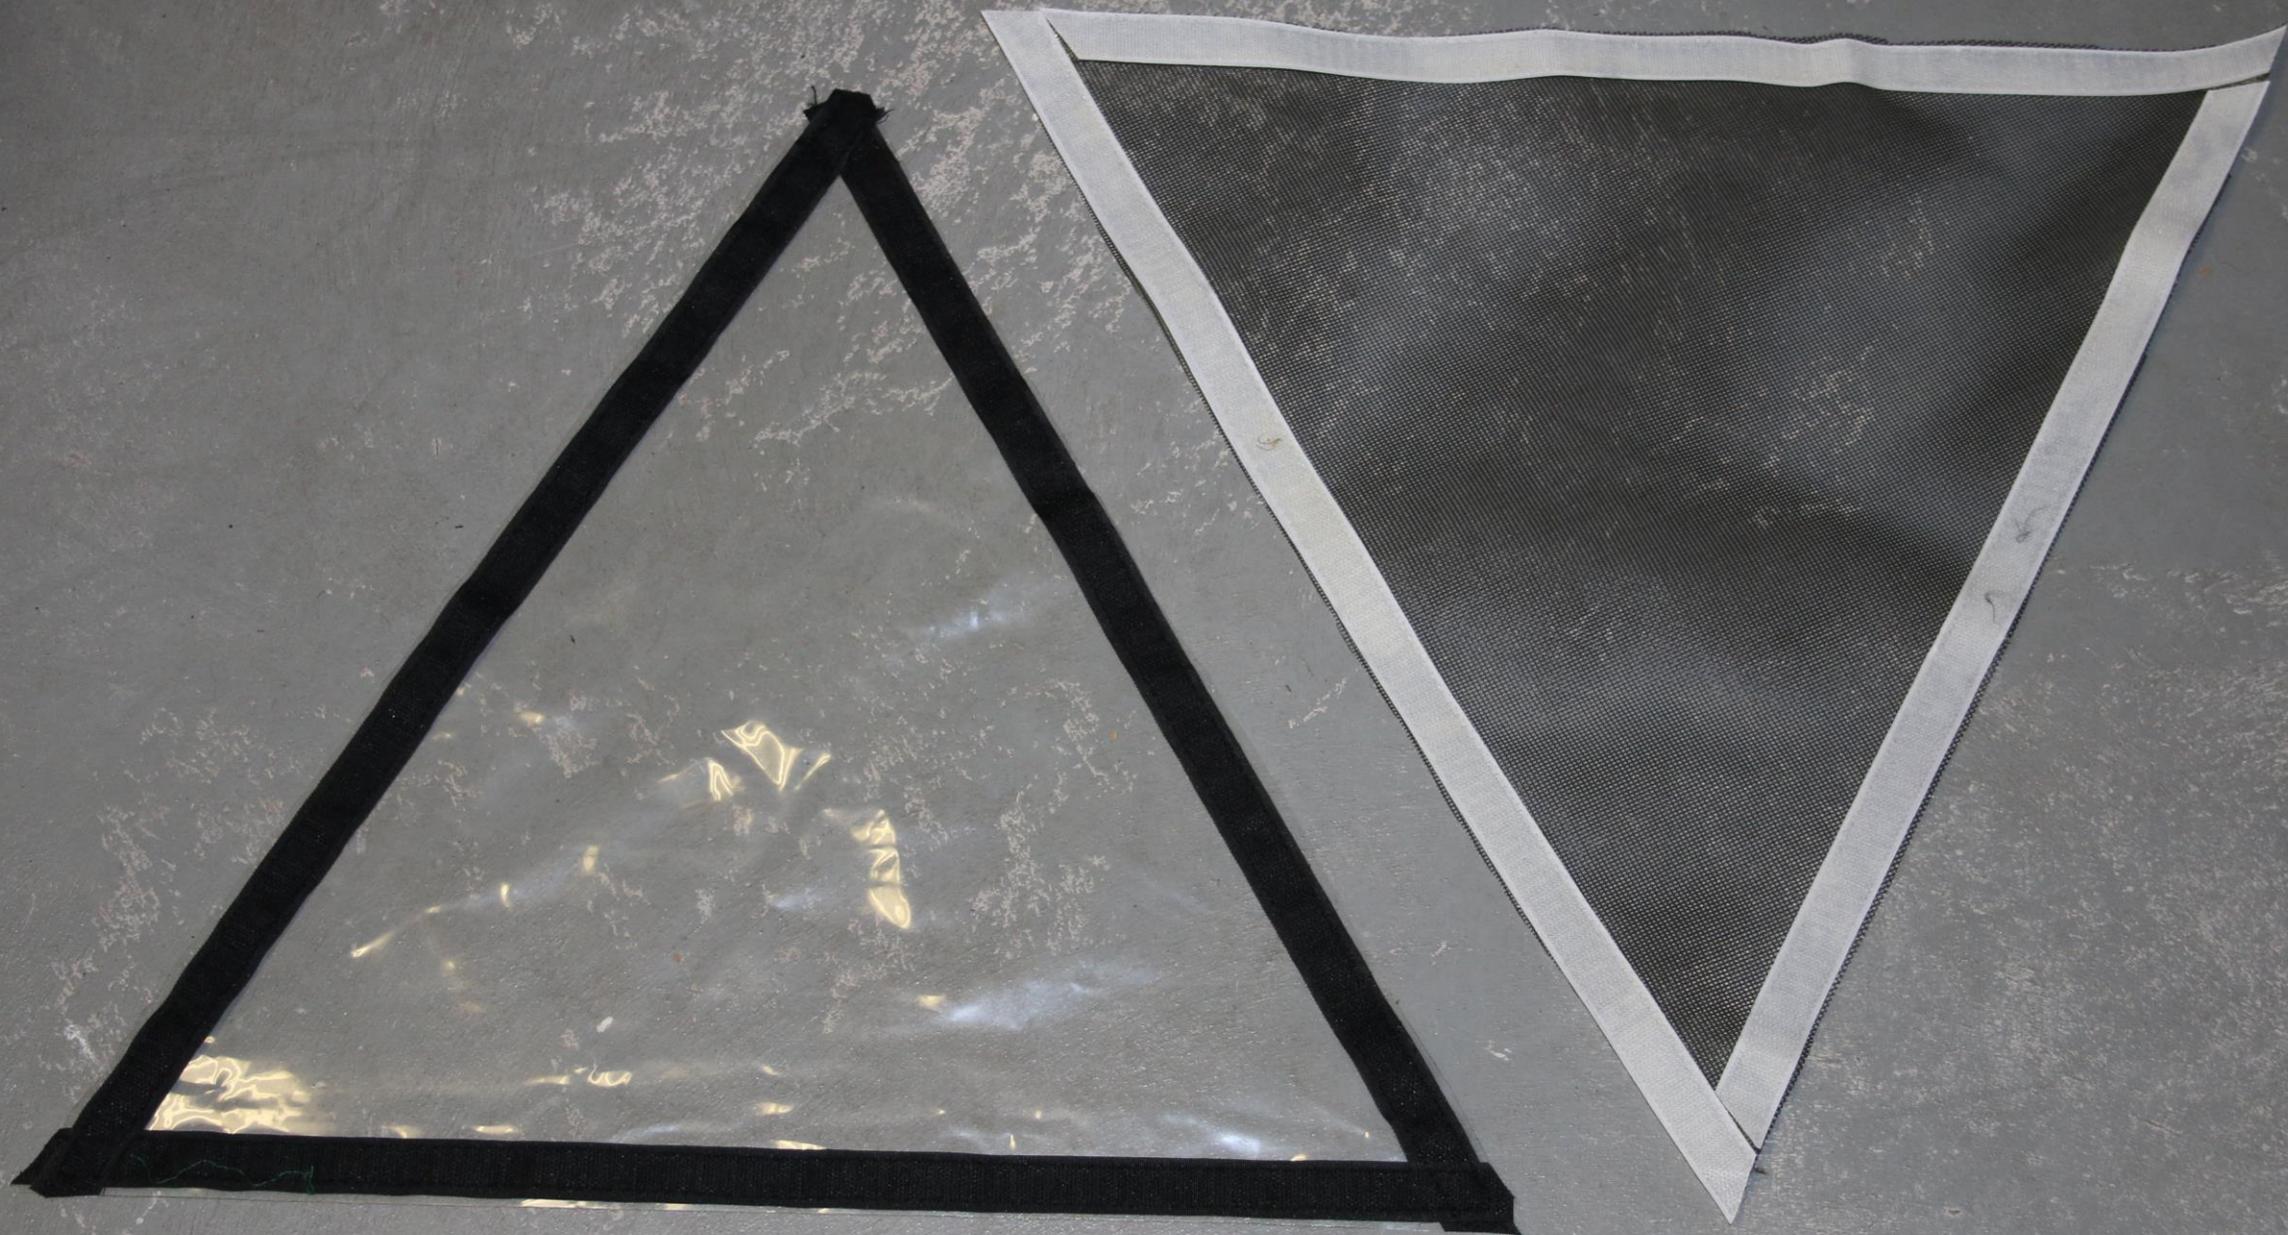

FEATURES

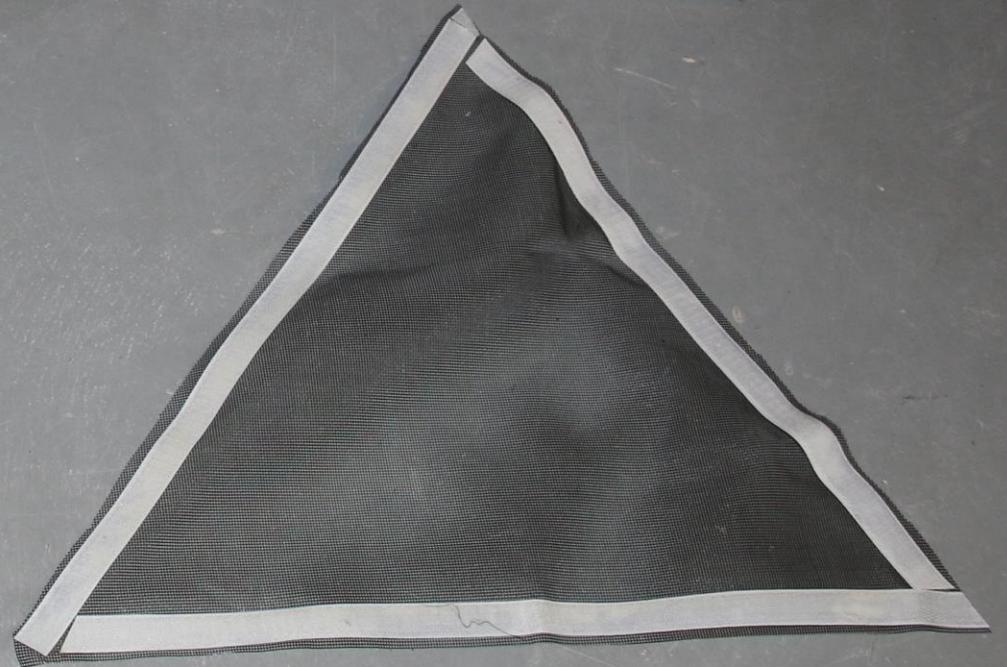

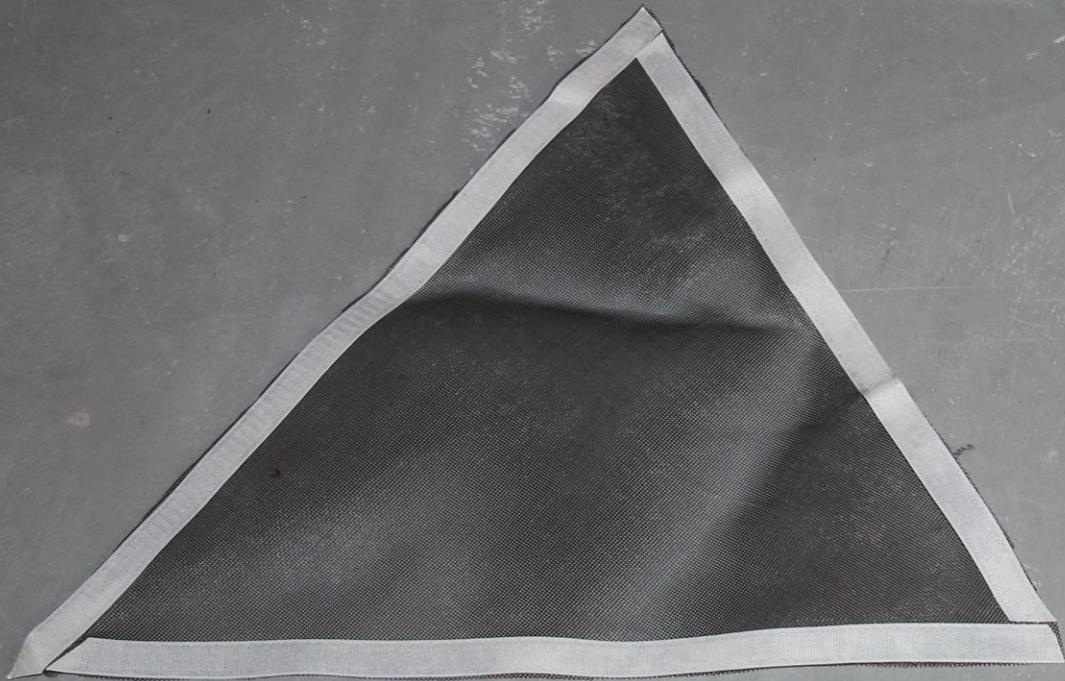

- Woods™ Instant Camp Cot features an easy fold frame system for easy transport and storage
- No end bars for more usable resting space
- Quick set-up and increased stability
- Weather-resistant, PVC-coated 600-denier polyester fabric
- No end bars for more usable resting space
- Includes a carry bag
- No assembly required
- Product Weight: 16.8 lbs (7.5 kg)
- Product Size: 74.8" L x 26" W x 15.9" H (190 x 66 x 40.4 cm)
- User Weight Capacity: 300 lbs (136 kg)
